

19 May 2025

Dear Parent/Carer

We are pleased to inform you that we will be holding Maths revision sessions during the upcoming half-term break for Year 11 students. These sessions are designed to provide focused support in preparation for the upcoming GCSE exams and to help students consolidate their understanding of key mathematical concepts.

Please find the details of the sessions below:

Course	Date	Time	Room	Teacher
Foundation Maths	Wednesday 28 May	9.30 am - 12.30 pm	F04	Mr Schlachter
Higher Maths	Friday 30 May	9.30 am - 12.30 pm	F02	Mr Gloyn

We strongly encourage your child to attend the appropriate session based on their current Maths tier. These revision classes provide an excellent opportunity for targeted learning and can significantly improve your child's confidence and performance in their final exams.

Please can you email the relevant teacher to confirm attendance by 12 noon on Friday 23 May:

Mr Schlachter [peter.schlachter@carisbrooke.iow.sch.uk](mailto:peter.schlachter@carisbrooke.iow.sch.uk)

Mr Gloyn [james.gloyn@carisbrooke.iow.sch.uk](mailto:james.gloyn@carisbrooke.iow.sch.uk)

Students will need to bring their own drinks and snacks as there will be no facilities available on the day. They will also need to arrange their own transport to and from the school.

Thank you for your continued support.

Yours faithfully

Miss Begley
