

Carisbrooke College Curriculum Journey Physical Education

Further Study
Studying GCSE Core PE alongside BTEC Sport develops practical skills, fitness, teamwork, and knowledge of sport and the body. It provides a strong foundation for further study, including Level 3 Sport courses, A Level PE, apprenticeships, and careers in coaching, fitness, teaching, sports therapy, and the leisure industry.

Careers
GCSE Core PE and BTEC Sport can lead to careers in coaching, personal training, sports therapy, physiotherapy, teaching, fitness instruction, sports development, leisure management, the armed forces, and health and wellbeing.
